Open to all who value
the beauty and peace of Findhorn Bay

Public meeting on 14th December 2015 at 7.30pm in Kinloss Church

FRIENDS OF FINDHORN Bay is a citizens' action group which intends to raise awareness of the value, beauty and educational potential of Findhorn Bay.

OUR AIM IS to promote Findhorn Bay as a peaceful sanctuary for all its natural communities, both resident and visiting, and to focus on the educational aims for which the nature reserve was set up in 1998.

FOR MANY YEARS people have expressed concern about the negative impact that the shooting of geese and ducks has on the Bay's ecosystems.

The shooting also deprives the public of the unique natural wonders of certain areas of the Bay for almost 6 months each year. As advocates for a ban on shooting in the nature reserve, we are currently collecting signatures on a petition that is calling for such a ban.

BY CONVENING THIS meeting we intend to create an opportunity for like-minded people to meet and to discuss the vision and aims of this group. There will also be an audio-visual presentation on the beauty of the Bay.
